Dear SK Hong Kong Limited

I am writing to provide a recommendation for George, who has worked under my supervision at Alibaba as a Senior front developer from 10/2017 to 08/2021.

During George's time with us, he consistently demonstrated exceptionally considerable expertise in the web front-end domain, independently supporting the core development work of Taokewaimai (5.5 million DAU). his dedication to web full-stack business greatly contributed to our team's success.

George is highly skilled in front-end and has a strong ability to resolve any tech-difficulty questions.

he is a reliable and motivated individual who consistently delivers high-quality work.

I have no hesitation in recommending George for any future endeavors they may pursue. He would be a valuable asset to any team or organization.

Don't hesitate to get in touch with me if you need any more information or clarification.
